

CANDELABRUM FOR UNIVERSITY

A tiny gold miniature of Ridley's original reaper surmounts the candelabrum which has been bequeathed by Miss Ridley to the Adelaide University. The candelabrum is valued at £100.

THE METEORITE FOUND NEAR KAROONDA

All that remained of the ball of fire which flashed through the eastern skies more than a week ago. It was found near Karoonda yesterday by Professor Kerr Grant, who, with a party, had been searching since Sunday. The picture shows the meteorite, which broke into small pieces when it struck the ground, ready to be packed, for removal to the University.
