"Must Organise Politically"

CHANGES URGED

MELBOURNE, Thursday,
DESCRIBING the present hospital
system as a gigantic "Frankenstein monster," the president of the
medical section of the Science Congress Opr. J. V. Duhig), of Bristion of the Science Congress of the Science Confession on a political basis.

"As the symbols of July

fession on a political basis.

"As the synthesis of all the sciences and the medium of study of humas and the medium of study of humas haviour, and the use and development of the medium of human intelligence," said Dr. Duhis "medicine is the most important of all "Thas not, however, articulated perfectly with the rest of the social feetly with the rest of the social simply, or an instrument of government, and the social pursued either as a means of livelihood simply, or an instrument of government, and the statistical diseases and the social protection against destructive and the statistical diseases."

The has never been an integral selection and the social point of the social

of the social plan of any great state man.

"The medical profession in Australia must be reorganised on a political basis, under energetic leadership, to regain and enlarge its prestige, so that it shall be consulted and initiate enlightened social reform within its proper sphere," Dr. Dubig said.
