There would be a special convenience of the conferring of degrees registion for the conferring of degrees registration for the conferring of the would be a jubile dinner.

The Registrar added that Lord Hording the conferring the conferring the dinner of the conferring of the conferring the c

Mr. Leslie Casson, who left Adelaide three years ago to enter Corpus Christi College, Oxford, has been appointed Professor in English Literature at Dodrege, Oliv De has been appointed the King's College, Hallfax Novita Scotlar He is at present engaged in a course of research in Middle English poetry, under Professor H. C. K. Wyld, of Merton College, and will not complete his work at Oxford until the end of this year. He was formerly in the Education of the College of the State, and is a son of Mr. Frank Cosson of Lox-ton.

HIGHER STANDARD OF MUSIC TEACHING

Plea For Legislation

MUSICIANS' CONFERENCE A deputation to ask the Government

to introduce legislation requiring teachers of music to pass qualification standards set by the Musical Association of South Australia was suggested by the president (Mr. Arthur William by the president (Mr. Arthur Williamson) at the first annual conference of the association yesterday. He said it was felt, also, that the standard of music in State schools would be improved if a regular teacher from the association visited each school in turn, on one day a week.

on one day a week.

The conference was opened by the
Minister of Education (Mr; Jeffries),
who said people were more alive to the
value of having their children taught
by competent teachers than they had
been a few years ago. In the near
future legislation might be made that
would raise the profession of music
would raise the profession of music teacher in the eyes of the public,

The patron of the association (Dr. E. Harold Davies) gave an address on "The Warso of Study." in which he said the elements that composed a good student were talent, brain, and character. Third-chass talent combined with good brain all light all called that was a summanied by poor brain and character.

setter than brilliant talent that was accompanied by poor brain and character.

Dr. Dayles denounced the unsainative reception of the student whose cry was "The more I oracles and the student whose cry was "The more I oracles and the student whose cry was "The more I oracles and the student whose cry was "The more I oracles and the student whose cry was "The more I oracles and the student whose cry was "The more I oracles and the student was provided by the student was the student was a student was the student was th Wireless Station Orchestras
