

095.D

W25 *With the compliments of the Author.*

NOTES ON THE GEOLOGICAL STRUCTURE OF CENTRAL AUSTRALIA.

By L. KEITH WARD, B.A., B.E.

[From "*Transactions of the Royal Society of South Australia*," vol. xlix., 1925.]

**NOTES ON THE GEOLOGICAL STRUCTURE OF CENTRAL AUSTRALIA.**

By L. KEITH WARD, B.A., B.E.

[From "*Transactions of the Royal Society of South Australia*," vol. xlix., 1925.]

[Read May 14, 1925.]

PLATES III. TO VIII.

	Page
I. Previous Geological Investigations	61
II. The Stratigraphical Succession	62
A. The Fundamental Gneisses and Schists	62
B. The Lower Palaeozoic Sediments	62
C. The Finke Series of Sediments	66
D. The Jurassic Sands	71
E. The Lower Cretaceous Marine Shales (Rolling Downs Formation) ..	72
F. The Middle Cretaceous Lignitic Shales	72
G. The Upper Cretaceous ("Desert Sandstone") Series	73
H. The Fluvial Deposits	76
I. The Aeolian Deposits	76
J. The Siliceous Capping	76
III. Problems of Correlation and the Evolution of the Geological Structure ..	78
