Miss Eleanor Wemyss at the recent Adelaide University Commemoration and conferring of degrees, received the degree of Master of Arts. The degree of Bachelor of Arts was conferred upon her in 1921. She is the daughter of the late Mr. and Mrs. Thomas B. Wemyss. Mr. Wemyss was for many years in the service of the South Australian Government, latterly as Inspector of Ironwork for the State, and had received from His Majesty the King the honour of the Imperial Service Medal. Miss Wemyss is a frequent contributor to the columns of The Register and The Journal, and was a member of the Bookshelf—a literary club conducted for years by "Magpie" in The Journal and The Observer, which proved very attractive and helpful to many readers. In 1919 Miss Wemyss published a small book of verse "Songs of Cheer," which received encouraging notices in the press. She has been actively interested in various movements in connection with social service, including "Copec." She is the founder of the Girl Guide movement in South Australia, having undertaken the task after an interview with Sir Robert Baden-Powell in 1917, when he authorised her to start the movement, and to form a committee. She was honorary State secretary during the war period, when the guides assisted with trench comforts, and in many other undertakings for the benefit of soldiers and for various funds. At present Miss Wemyss is a member of the State committee of the organization. She has been for years associated with the committee of the League of the Empire, which does much quiet but effective work in developing the spirit of citizenship in the younger generation. She is also a member of the League of Nations Union. Miss Wemyss has also identified herself with the Australian Student Christian movement, which is linked up with the World Student Christian Federation—the only international society which continued its work uninterrupted by the war.

ST. MARK'S COLLEGE.

In another column will be found the account of a fete recently held at St. Peter's College by a ladies' committee in aid of the furnishing fund of St. Mark's College. As most people know, St. Mark's College is the first residential University college to be founded in South Australia in connection with the Adelaide University, and will open for the first University term of 1925. The college buildings, which are situated at Pennington terrace, North Adelaide, are now undergoing alterations, which are almost completed, and when finished early in the new year will be a distinct addition to the many educational institutions now existing in Adelaide. As will be noticed from the account, the ladies responsible for the large sum which was realised through their efforts.
