VETERINARY LABORATORY,

NEW HAW,

WEYBRIDGE,

SURREY

18th March, 1949.

Dear Fisher,

Do you happen to be coming to London in the near future? We are hoping to carry out an experiment in connection with artificial insemination of cattle and would much like your help and guidance in its design.

If you are coming to London soon I would arrange to meet you: if not, I'll come to Cambridge to see you at some time convenient to you.

Yours sincerely,

F. Rallier

Professor R.A. Fisher, F.R.S.,
University of Cambridge,
Department of Genetics,
Whittinghame Lodge,
44, Storey's Gate,
Cambridge.
