

5th. October 1919.

Dear Darlington,

I am sending herewith a paper received from Mourant with his letter also. I have written to him a few criticisms which he will have plenty of time to take up with me before even proofs are made.

I think we ought to encourage by publication this ethnographic material, although, for a long while, it will

only come in little snippets like this. The Q, A contrast of
Mormons and Christians will probably interest you.

Yours sincerely,
