My dear Killaney

Thank you so much for
your copy of the S. J. News. So welcome! & how
it breathes courage & new news.

I am forwarding a little P. N. for you & that
pretty little Dickens Pictures from Italy. Which
is close by me as I write.

And will you please pass on the 5/- P. N. for
"Thrift" & don't send me anything for less
but keep enclosed list of Dickens. For sale
I have 4 vols. The Mutual Times Testaments Dawn
Copperfield, Tale of Two Cities (I wonder if you ever
feel you are living in the 11th volume of A
Tale of Two Cities? I contemplate death & am
living in that period.) & The Battle of Life.

I am very busy & very happy. My old & old
children, now grown up, are coming 100 miles
from Boldera just to see Kabbala & I had to
send to back last week. I have 14 leptained
ones with me. Now I feed & tend daily & have
daily clinics over & the dear Killaney. The older
women missed me so much in my 64 year absence!
& as we talk the tears of joy roll down their poor
faces. May have died. All have sores at nose
or less & I can't do too much for them to make
up for lost time. The world passes by us.
God preserve our beloved King & Empire. All the
best of us are putting our backs into our work.
Thanks again for your dear thoughts of me,
Sincerely
Dorothy Dainton
